Dear Patient:

In order to better serve you, we would like to obtain as much medical information as possible before your visit. Please find enclosed patient information forms that we would like for you to complete. Please bring your completed forms on the day of your visit, as well as the following:

- 1. Bring all of your medication.**
- 2. If you've had any recent blood work, either fax it to us or bring it with you on the day of your visit.**
- 3. Any pertinent information (medical records from another hospital/doctor) regarding your cardiac history.**
- 4. Wear walking or tennis shoes and two-piece clothing.**
- 5. Please have your insurance referral and/or insurance card available, as well as your driver's license.**
- 6. Please arrive 15 minutes early.**

This information will enable us to better evaluate your medical needs.

Thank you for you assistance.
